ADAMJEE COACHING CENTRE

Elite printers impressed us. Its usually difficult to impress a bureaucratic organization like ours which work with standard systems and is not prone to changes. Their quality service, commitment and welcoming response is appreciable.

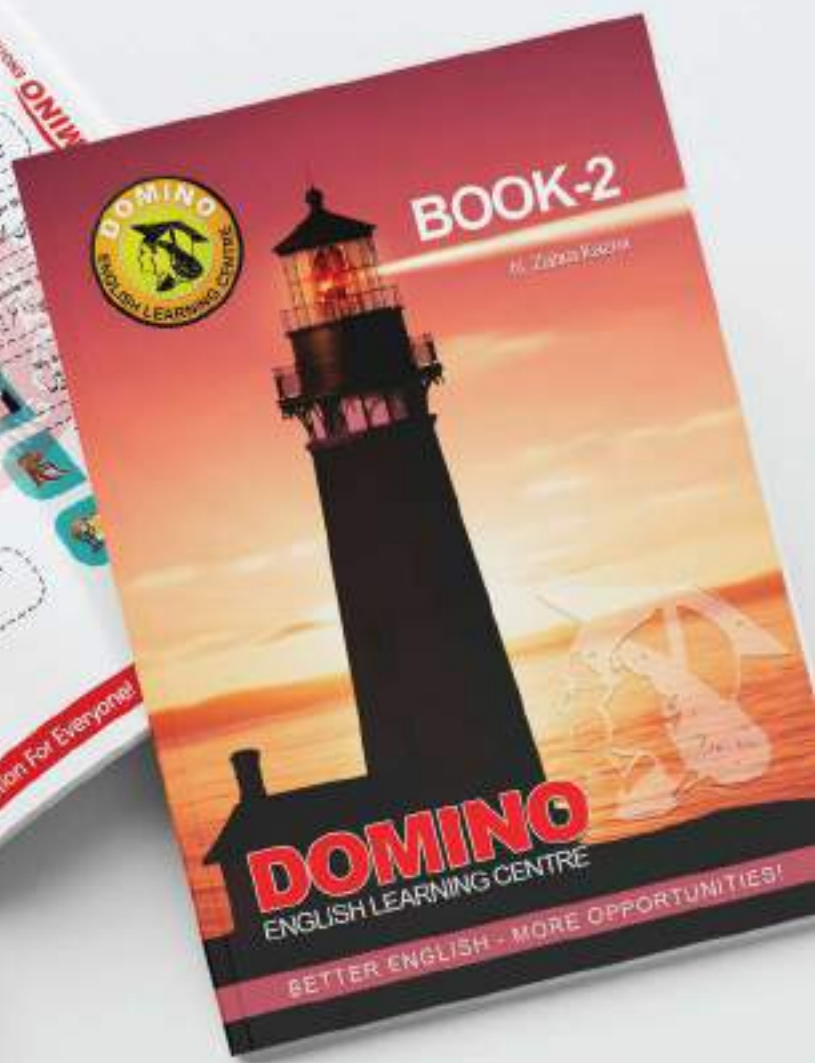

HAPPY PALACE GRAMMAR SCHOOL

World is changing and its era of innovation. Elite Printers brought innovation in photocopy process of notes and past papers. Its no more time of dirty photocopies with splits of ink everywhere. They changed our systems. Our book covers were designed with inner pages, then notes were printed on them. I must say its not a photocopy! Appreciated services.

DOMINO ENGLISH LEARNING CENTRE

“I must say service is extra ordinary. Originally we thought that it was not possible as all of our notes were on dirty photocopy. Elite printers scanned them, designed them, align them and then gave us a book which ourself cannot recognize that these are our old notes.”

I was having such printing earlier also, but their quality service and Commitment forced me to change the vendor. I must say they are best in their work.
